SUMMARY

Computer Systems Engineering student at Palestine Technical University - Kadoorie, with a strong interest in Front-End Development and building responsive, user-friendly web interfaces. Skilled in HTML, CSS, C++, and JavaScript fundamentals, with practical experience gained through personal projects and technical training. Currently a Front-End Development trainee at BinX Tech and a Student Ambassador at ENG4YOU, developing technical, communication, and teamwork skills. Passionate about continuous learning and creating clean, efficient, and visually appealing digital experiences.

TECHNICAL SKILLS

Front-End Development : HTML, CSS, JavaScript Fundamentals, Responsive Web Design
Programming Languages : C++, Java
Programming Languages : Java, C++
Computer Science Concepts : Data Structures, Object-Oriented Programming (OOP)
Tools & Platforms : Git, GitHub, VS Code

TECHNICAL PROJECTS

- **Personal Portfolio Website — Front-End Developer** <https://muniaelayyan.github.io/Portfolio-task/>
Designed and developed a responsive personal portfolio website using HTML and CSS.
Created a modern user interface to showcase skills, projects, achievements, and certificates.
Focused on clean design, responsive layouts, and smooth user experience.
GitHub: <https://github.com/MuniaElayyan/Portfolio-task>
- **To-Do List Web Application — Front-End Developer**
Built a task management application using HTML, CSS, and JavaScript.
Created interactive features to organize and manage daily tasks.
Improved understanding of front-end structure and user interaction.

EDUCATION

- **Bachelor's Degree in Computer Engineering — Palestine Technical University – Kadoorie (2024–2029)**
Relevant Coursework : Programming Fundamentals (C++) Object-Oriented Programming (OOP) Data Structures Computer Systems Basics

ACTIVITIES & VOLUNTEERING

- **Technical Training Programs Participant**, Online Technical Training Programs
One Million AI Prompts Program — Dubai
AI Foundations & MVP Bootcamp — BinX Tech
Intro to Programming Nanodegree — Udacity
Cybersecurity and technical training workshops
Continuous self-learning through online courses and practical projects

EXPERIENCE

- **Front-End Development Trainee** at BinX Tech, Nablus (2026-Present)
Participating in intensive Front-End Development training focused on building modern and responsive web interfaces.
Applying HTML, CSS, and JavaScript fundamentals through practical projects.
Improving skills in UI development, clean code practices, and user experience principles.
- **Student Ambassador** at ENG4YOU, remotely (2026-Present)
Selected as a Student Ambassador to support promoting educational opportunities and engaging with the student community.
Developed communication, leadership, and teamwork skills through community activities.

LANGUAGES

- Arabic (Native)
- English (Intermediate (Technical Reading & Communication))
